

# **Requests, Transfers, Drops (Refund Policy), and Adds**

Below are UVYSL's policies addressing special requests, transfers, drops, and adds of players after rostering.

## **Requests:**

There is no guarantee for special requests, including:

- Specific coaches or teams
- Specific players, friends, or family members on same team
- Practice/Game times and locations

## **Transfers:**

Transfers are not allowed unless extenuating circumstances and it's approved by the UVYSL Board. For any request to transfer please email us at [UVYSL83@gmail.com](mailto:UVYSL83@gmail.com).

## **Drops/Adds:**

To obtain a refund, you must request by email ([UVYSL83@gmail.com](mailto:UVYSL83@gmail.com)) to drop by July 8th. All refunds will incur a \$12.50 administrative fee.

A player who is rostered but unable to play is considered a drop once the coach notifies the Registrar.

Players on the waiting list will be assigned onto teams with the least rostered players. It will be "first come first serve" from the waiting list as determined by the Registrar.

Coaches cannot add players onto their team without approval from the Registrar.
